OFFICE OF THE DIRECTOR OF INDUSTRIES AND COMMERCE IN MYSORE, BANGALORE.

Notification No. D2-287—35-36, dated 27th November 1936.

Notice is hereby given that sealed tenders will be received from the approved building contractors at the Office of the Officer-in-charge, Sandalwood Oil Factory, Mysore, up to 3 P.M. on Friday the 18th December 1936 for the construction of a Mangalore-tiled Gable Roofed Building measuring 50′×25′ in the grounds of the Sandalwood Oil Factory, Mysore, for installing a Bitumen Emulsion Plant. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed on or before the end of 18th January 1937.

2. The plans, detailed estimates and conditions may be seen at the Sandalwood Oil Factory, Mysore, on working days between 2-30 and 5 P.M.

3. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 100 in cash or Government Promissory Notes as earnest money and be superscribed " Tender for the Construction of a Bitumen Emulsion Building in the grounds of the Sandalwood Oil Factory, Mysore," in default of which the tender will be rejected.

5. The final acceptance of any tender will rest with the Director of Industries and Commerce, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days from the acceptance of the tender, the successful tenderer will be requested to execute the usual contract bond in default of which his tender will be considered as cancelled, and his earnest money will be forfeited.

7. The successful tenderer whose tender has been accepted will be intimated of the acceptance of his tender in due course. No enquiry regarding the acceptance or rejection of tender will be answered.

8. On acceptance of one of the tenders, the earnest money in respect of the rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule of rates of the Public Works Department or those fixed by the Director of Industries and Commerce, after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specially provided for and in all matters of dispute about rates, quantities, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Director of Industries and Commerce will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific terms of unit shown against each item of work. Any quotation quoted as so much percentage less or more than estimated rate will not be accepted.

Estimate of the probable cost of constructing a Mangalore-tiled gable roofed building 50′×25′ in the grounds of the Government Sandalwood Oil Factory, Mysore for installing a Bitumen Emulsion Plat.
